STORYTELLING

GRASIL TABLE LAMP / BY AYTM DESIGN TEAM

The GRASIL LED table lamp is essential for your living room, bedroom or home office as the lamp displays as a sculptural interior item while being your source of light. Place the table lamp on your living room dresser, on your bedside table or on your office desk and let the perfect balance of light brighten up the atmosphere in your home.

THE GRASIL FAMILY

With a solid marble base and exquisite bended metal tubes, GRASIL provides a unique and exclusive expression with an overwhelming elegance. The rounded geometrical elements, connected in an asymmetrical shape, gives the GRASIL LED lamps a sculptural appearance – and with the solidity from the marble, that stands in contrast to the light expression from the bended metal tubes, these lamps symbolizes the most beautiful symbioses of balance.
