

SOFT EDGE 10 LOUNGE

DESIGN BY ISKOS-BERLIN

Iskos-Berlin's Soft Edge series features an organically shaped seat and back seat, blending strong curves with extreme lightness to create a three-dimensionality that is not normally possible with 2D plywood. The result is a minimalistic design that optimises human-centric comfort for constant shifting and movement. Soft Edge 10 Lounge features the same distinctive seat contours as the rest of the family, but with a lower, wider design that is more conducive for relaxing or sitting for longer periods of time. Its steel base reinforces its light, uncluttered aesthetics, while its strength, stability, and comfort ensure years of everyday use in a wide range of public and private environments – from cafés, offices, and waiting areas to a home environment. Also available with upholstered seat.

PRODUCT DETAILS

- / Part of a family of dining chairs, bar stools, lounge chairs and stools with steel base or solid oak legs or polypropylene seat and back with steel base.
- / Stackable lounge chair.
- / A modest yet striking aesthetic profile.
- / Compact and extremely comfortable.
- / Offers an ergonomic seating solution due to its increased level of back support.
- / 3-dimensional form based on the latest developments in moulded plywood technique using ordinary plywood.
- / Variety of seat and base colours and finishes.
- / Available with seat upholstery in selected fabrics and leathers.
- / Suitable for a wide variety of private and public environments.
- / Qualified for contract use.
- / Stackable on floor up to 10 pcs. without upholstery.
- / Stackable on floor up to 6 pcs. with upholstery.
