

# SILVIA MINI CREATE

Designed by UIMAGE Design Team

## DON'T DRAW ON THE TABLE

Draw. Paint. Print. Made of watercolour paper, the Silvia Create lets anyone imagine and customize their own lamp.

Interior designers and interior aficionados alike know that a lampshade is more than a nice fixture that provides light whenever it is dark. It is an accessory that complements a home, tells a story about it, and adds a bit of charm. What could it give more character and personality than your own creative touch?

Just like the beloved Silvia lampshade, the Silvia Create is made of individual "leaves" that are assembled into a beautiful glare-free light. The Silvia Create's special watercolour paper leaves let anyone express their artistic side and paint, draw, or print their favourite pattern on each leaf. From acrylic paint to water-based markers or spray paint, a vast array of painting materials can be used. In addition, ready-made templates can be downloaded and printed directly onto the lamp's leaves. To further foster your creativity, all templates can be used as colouring spaces, giving a whole new dimension to the Silvia Create's potential.

Whether drawing, colouring, painting, or printing on the Silvia Create, the result is striking – a personalised Silvia lampshade with a one-of-a-kind story and a distinctive identity.
