

AAL 87 SOFT DUO

PRODUCT FACT SHEET

AAL 87 SOFT DUO

DESIGN BY HEE WELLING, 2020

The AAL 87 Soft Duo fuses the sleek, elegant aesthetics of the four-legged steel frame with the softness and warmth of the quilted shell in contrasting materials. Retaining the same compact body, shaped armrests, and simple, sculpted design that characterise the rest of the lounge series, this design features a functional base with slim, angled legs that slant slightly outwards for optimal stability. The base is available in chrome and powder-coated steel and the quilted shell is offered with two different textiles or leathers to create a unique look that works equally well in corporate, public, or private contexts.

HIGHLIGHTS

- Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman and a sofa.
- Soft quilted upholstery in selected fabric and leather combinations on front and back.
- Variety of textiles and base finishes.
- Other upholstery options are: a non-quilted full upholstery in a large selection of fabrics and leathers or a soft quilted version with added wadding in a large selection of fabrics and leathers.
- Other base options are: aluminium swivel base, solid wood base and moulded plywood base.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

DIMENSIONS

WIDTH 76 CM
DEPTH 73 CM
HEIGHT 81 CM
SEAT HEIGHT 36 CM
SEAT DEPTH 55 CM

MATERIALS

SHELL

Soft moulded polyurethane foam with armrest. Full upholstery with quilted front.

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise our environmental impact. We optimise the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.
