## DUAL VASE

The Dual Vases are mouth-blown, small differences in shape and color may occur.

Please arrange the Dual Vases carefully to prevent scratches on the surface or damage to the edges.

Use only warm soap water on a hard wrung cloth when cleaning the vases and dry immediately with a soft cloth. The glass is painted. Be careful while cleaning not to chips of the paint. Don't clean the product using a dishwasher.

Please note that hard water (water with high mineral content) may leave stains on the vase.
