## WITH LOVE FROM COPENHAGEN

At UIMAGE, our designers take inspiration from the distinct nature of the Nordic landscape to create unique designs related to the way we live in an urban setting. Influenced by the design language, colours and materials found around us in Scandinavia, we create a collection that is rooted in our home but designed for everyone.

Versatile, flexible and multifunctional, our furniture and accessory collection is designed for packing the most into life in smaller spaces!

## CARE AND MAINTENANCE

Please follow the below care and safety instructions to ensure many years of enjoyment with your new design item from UIMAGE.

### HOW TO CARE FOR YOUR TEXTILE FURNITURE

- The textile should not be exposed for long periods of sunlight as this may cause fading and deterioration of cover material.
- Protect from exposure to sources of heat such as radiators or open flames.
- It is recommended to give the textile a frequent vacuuming or light brushing. It is very important to rub very gently to avoid colour change. This proper cleaning will prevent buildup of dust, soil and oils which can be damaging to cover material.
- In the event of a spillage, it is imperative to act quickly. Carefully soak up any excess liquid, ideally using the edge of a white paper towel, then dab gently with a fresh towel taking care to avoid soaking in or spreading of the remaining liquid.
- Do not machine wash, contact a professional in case of stain removal.

Keep these instructions at hand for future reference.
