BEYOND WORK

2023 workspace & professional lookbook

Our team dedicated to professionals

Since 2015, the TIPTOE team has worked in partnership with a broad range of interior professionals, architects and designers on over 2,000 projects across the world. Our products have been featured in projects such as workspaces, hotels & restaurants, museums as well as retail stores.

Our commitment to high quality European manufacturing as well as our pioneering take on sustainable design have proven to be valuable assets for our partners throughout the years.

Meeting

Meeting rooms are a unique space where ideas, creativity and decisions converge into real-life projects.

An inspiring and organized meeting room is where any team can bring to life even the most ambitious initiatives.
