DUET

DUET is a truly cutting-edge concept. A double-sided leather with one side in soft nubuck and the other side in rustic suede. An innovative, eco-collection in a colour palette co-created with Tom Dixon. With both sides to play with, it's your opportunity to experiment with tactility. Create contrast or cohesion – or both. While nubuck is known for its exclusive appeal and velvety-like touch, suede has an understated elegance with slightly more depth. The two surfaces complement each other and correspond well in terms of colour.
