

AAL 87 SOFT

PRODUCT FACT SHEET

AAL 87 SOFT

DESIGN BY HEE WELLING, 2020

The AAL 87 Soft fuses the sleek, elegant aesthetics of the four-legged steel frame with the softness and warmth of the quilted shell. Retaining the same compact body, shaped armrests, and simple, sculpted design that characterise the rest of the lounge series, this design features a functional base with slim, angled legs that slant slightly outwards for optimal stability. The base is available in chrome and powder-coated steel and the quilted shell is offered in a variety of upholstery options, providing a multitude of design combinations that give this series versatility in a wide range of corporate, public, and private contexts.

HIGHLIGHTS

- Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman and a sofa.
- Soft quilted upholstery with added wadding in a large selection of fabrics and leathers.
- Variety of textiles and base finishes.
- Other upholstery options are: a soft duo version in selected fabric and leather combinations on front and back or a non-quilted full upholstery in a large selection of fabrics and leathers.
- Other base options are: aluminium base, solid wood base and moulded plywood legs.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.
