# BOWLS

The Bowls are handmade of terracotta glazed with Engobe. Small differences in shape and color may occur.

The Bowls are impregnated on the inside with a silicone layer making them waterproof. The vases ability to contain water may deteriorate over time. Always test the bowls ability to contain water before use.

Use a damp cloth to clean the bowls surface. Don't clean the bowls using a dishwasher. The bowls are not suitable for outdoor usage. Not frost-proof. Avoid sudden temperature changes, as a thermal shock can cause cracks in the material.

Please arrange the vases carefully to prevent scratches on the surface and be aware of the fragile edges.

Decoration use only!
