# COLLECTION OVERVIEW

Vig Chair in various colors

“The Vig collection was designed with the vision of creating outdoor furniture that is not only visually appealing but also functional and long-lasting. By utilizing Robinia wood and double powder coated steel, we have ensured that each piece in the Vig collection offers exceptional durability and resistance to outdoor elements. In addition, we have considered the collection’s convenience, focusing on making the majority of the pieces stackable.”

Vig is an exquisite outdoor furniture collection meticulously designed to enhance any outdoor space. Combining timeless beauty with exceptional functionality, Vig is the ideal choice for enduring outdoor furniture that will integrate seamlessly in natural landscapes and urban environments alike.

The design emerged from a desire for a sturdy structure with an equally airy and welcoming expression. The seamless union of the legs and seat presents a spacious composition that invites you to indulge in ultimate comfort. With optional armrests boasting a distinctly alluring design, Vig embraces you with open arms, exuding warmth and hospitality. A characterful detail that adds an approachable and friendly feeling to the design.

## DESIGNED TO INTEGRATE SEAMLESSLY WITH ITS SURROUNDINGS

Vig offers a range of versatile stackable outdoor furniture, enabling endless possibilities for creating inviting and flexible seating areas. From comfortable dining chairs to inviting lounge chairs, elegant chaise longues, versatile benches, stylish barstools, and adaptable tables in various sizes, the collection comprises a comprehensive selection to suit a variety of outdoor spaces. Whether it's for compact city living on the urban balcony, for grand summer parties on the spacious patio or for relaxing by the poolside, the Vig collection offers something for every setting.

An homage to the organic, flowing forms and silhouettes of nature, the Vig collection's every curve and contour is drawn to enable the design to merge with its surroundings. Soft, rounded edges evoke a sense of natural harmony, while the nature-inspired color palette of Dark Green, Grey and Black allows the design to merge seamlessly with the colors of nature, making the collection's intended outdoor usage apparent.

## CRAFTED TO LAST

Made from double powder coated steel for enhanced durability, Vig is built to withstand the rigors of outdoor use while maintaining its pristine appearance. Each piece in the collection has been thoughtfully designed to ensure resilience and longevity, encouraging years of good use in all weather conditions.

A distinctive feature of the Vig collection is the integration of Robinia wood, featured on the collection's tables and available as an optional choice for the seating range. Robinia, otherwise known as Black Locust, is renowned for its exceptional strength, durability, weather resistance and remarkable resistance to decay, requiring minimal maintenance while maintaining its natural beauty.

In total, Vig is a collection of outdoor furniture designed for modern life. Versatile, practical and durable, Vig offers a timeless design in terms of both aesthetics and longevity.
