

# CARNIVAL

## LAMPS

# INSTRUCTIONS

THESE INSTRUCTIONS ON INSTALLATION ARE PROVIDED  
AS A GUIDELINE TO ASSIST YOU

## **BEFORE STARTING:**

Please read through these instructions before commencing work and keep them for future reference.

- **PLEASE TAKE EXTREME CARE WHEN CARRYING OUT THESE INSTRUCTIONS.**

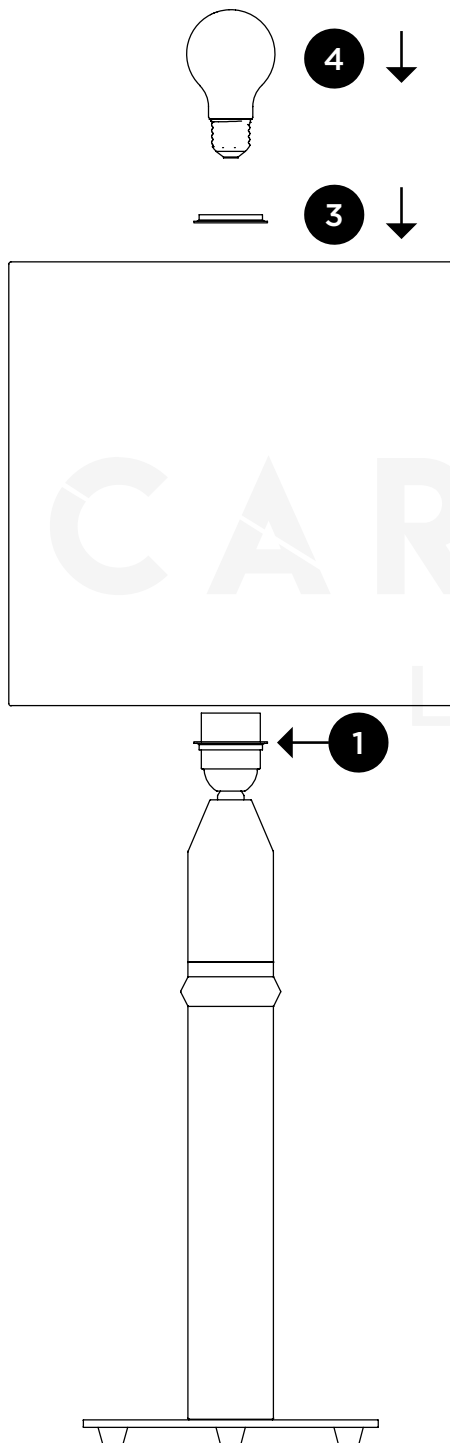

- This is a Class 1 product and must be earthed.
- Install in accordance with IEE wiring & current building regulations.
- To prevent electrocution, switch off the electricity supply before installing or maintaining this fitting.
- Ensure other persons cannot restore the electrical supply without your knowledge.
- This light fitting should be connected to a fused circuit.
- This product is only suitable for indoor use.

## **CARE AND CLEANING:**

- The lamp is extremely fragile and can easily be broken if not handled with caution.
- Clean the lamp with provided soft dry cloth and gloves.
- For your safety, always switch off the electricity supply before cleaning.
- Do not use abrasive materials, as these will damage the finish of the fine hand cut crystal.
- Avoid oil getting in contact with the lamp.
- Do not place in freezer, oven, dishwasher or microwave.
- Keep out of reach of children and pets.
- Extreme temperatures can crack or break your lamp.
- Avoid pouring hot or cold liquids over or inside your lamp.
- Do not subject the lamp to thermal or mechanical pressures.
- Do not lean, sit, stand or subject the lamp to excessive pressures, as it can be weakened and may break or shatter.
- Do not allow sharp or hard objects to come into contact with the lamp.
- Waste electrical products should not be disposed of with normal household waste. Please recycle where facilities exist. Check with your local authority for recycling advice.

# CARNIVAL TABLE LAMP NO.1

## MOUNTING INSTRUCTIONS

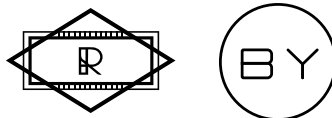

**NB!** When handling this lamp please always handle with care as this is a fragile product.

**NB!** The shade may need adjustment when mounted. Just grab the shade carefully and bend it in the place. Be careful, but some force needs to be applied.

**NB!** Use an E27 bulb of choice. We suggest an Arbitrary Ø60 5W LED bulb.

- 1 Keep the lower socket ring on the socket and remove the top socket ring
- 2 Place the shade on the socket so that the ring rests on the lower socket ring
- 3 Mount the top socket ring again and tighten slightly
- 4 Place the bulb in the socket and turn it in place
- 5 Plug in the lamp in the outlet and you are ready to go.

WE HOPE YOU ENJOY  
YOUR NEW CARNIVAL LAMP
