

Turning Table

Furniture — Press Release
SS17

press@menu.as

by Theresa Arns

Turning Table

Turning Table is simple, elegant side table with a storage section neatly hidden beneath an openable lid. Designer Theresa Arns was experimenting with adding storage functionality to the table when she came upon the idea of opening the lid by rotating it around one of the legs. The result utterly addictive (show it to guests and they will be opening and shutting Turning Table for hours).

Use the storage section to tidy away books, magazines, or whatever is cluttering your living space.

About the Designer

Rising-star German designer Theresa Arns lives and works in Copenhagen, where her studio focuses on natural high quality materials and the way they are combined. Creating functional yet poetic furniture with a story to tell, Theresa has swiftly established a reputation as a design talent to watch.

Notes to Editor

MENU is a Scandinavian design brand with a simple philosophy; to make the world better, less complicated and a little bit nicer to wake up to. MENU collaborate with super-talented international designers, to produce high quality design with a crisp Scandinavian look.

MENU work with local craftsmen from around the world to preserve traditional skills, whilst creating objects which are timeless and can be treasured for a lifetime. Composed of lighting, furniture and accessories, the MENU collection provides clever solutions for modern living.
