

# Dit Table

Designed by Normann Copenhagen Design Studio

## Customizable and compact

Introducing Normann Copenhagen's newest side table design. True to its name, Dit, which means "your" in Danish, this customizable collection entices users to create their very own unique table. With six different base colors comprising Sand, Grey, Brown, Bright Blue, Bright Red, and Light Green, and a selection of ten stone tabletop options ranging from various refined marbles to calming travertine and captivating onyx stones, the Dit Table collection offers an impressive array of in total 60 possible combinations. The versatile and customizable design integrates seamlessly into different environments, allowing users to create a personalized table that mirrors their unique style and enhances their space exactly to their individual taste.

Each Dit Table is meticulously crafted from a stone tabletop which exudes natural beauty, supported by three oversized, cylindrical powder-coated steel legs for a design that unites sophisticated splendor with a charismatic design idiom. Ideal as a side table, a pedestal for a floral arrangement or table lamp or as a bedside table, Dit Table caters to a wide range of different uses. In addition, its compact size allows it to effortlessly integrate into various settings while still commanding attention and making a statement in any interior.

## Connecting People and Spaces

Since Normann Copenhagen's foundation in 1999, our ambition has been to challenge conventional thinking and make the ordinary extraordinary through great design. By combining the craftsmanship, functionality and endurance characterized by our Danish design heritage with modern silhouettes and durable materials, we aim to create original products in a contemporary design that withstand the test of time. We believe in uniting people and spaces across the world and improving the quality of people's lives through the power of great design. Our products combine functionality and design and accommodate the diversity of needs of modern life in residential and professional interiors alike.
